

Court Contracts Scroll: Volume I

“The Theater & The Binding”

By Ausiriyah the Oracle

I. OPENING SPELL — “THE COURT IS NOT WHAT YOU THINK”

The courtroom is not a place of justice.
It is a ritual chamber.
A theater of assumed authority.
A contract-seeking altar, where souls are baited to consent.

Each action you take — from standing when told, to speaking the words they feed you — becomes a ritual of agreement.
The real court is in your field.
The true judgment is energetic.
And the highest law is: Consent is the currency of this realm.

II. RITUAL SIGNS YOU'RE ENTERING A SPELL:

1. Standing when your name is called – Signals submission to the spell.
2. Speaking in ALL CAPS NAME – Activates the legal fiction.
3. Not rebutting jurisdiction – Grants them permission to proceed.
4. Allowing them to interpret your silence – Grants implied consent.
5. Not knowing the difference between a man/woman and a legal person – Opens the gate for possession.

III. THE TRUE CONTRACTS (AND THEIR COST)

Courtroom contracts you may unconsciously enter:

- A contract of wardship (you are presumed incompetent).
- A contract of agency (you are presumed their property).
- A contract of trust (they are the beneficiary, and you are the trustee).
- A contract of guilt (you defend yourself, meaning you accept the claim).

All of this operates through:

- Birth certificate presumption
- Silence = agreement
- Standing in dishonor by not knowing how to conditionally accept or rebut

IV. THE BINDING SPELL LANGUAGE

Court Phrase | Hidden Meaning

“Do you understand?” | “Do you stand under our jurisdiction?”

“Appear before the court” | “Make your legal fiction manifest here”

“Plea (guilty/not guilty)” | “Choose your form of submission”

“The court finds you...” | “We have now claimed your energy”

“Case dismissed” | “You were never needed — just your consent”

V. DIVINE REMEDY BEGINS HERE

1. Speak only as a woman/man, not a person.
2. Use affidavits of truth, not motions.
3. Conditionally accept all offers upon proof of claim.
4. Ask: "Who is the injured party?"
5. Record your truth into the public record first — become the court of first instance.
6. Invoke divine jurisdiction: "This matter belongs to the living court of Ma'at, under Divine Law."

VI. FIELDWORK FOR UNBINDING

To free your field from the courtroom matrix:

- Burn a candle as witness before you enter any courtroom.
- Write your own scroll of standing (who you are, what you do not consent to, and your living status).
- Use real name: Jonique: of the family Dixon — not the NAME IN CAPS.
- Carry your own spiritual seal or glyph that grounds your jurisdiction.
- Before walking in, say aloud (or within):
"I am not here to submit. I am here to witness the false order unravel."
